However, the praise justly belongs to the new Senator from Kerry Patch, who made a very ausologous made a appearance in a Washington autorm. Never for once did he tire or show the least sign of fatigue, and really pitched better ball, if that were possible, toward the close of the game than he did at the start.

THE "SILVER" OF OLD.

He attenuised no "flights of elagmence." nor did he attempt to "paint the lify or gild nore gold." But the way he split the plate and nowed down the Piratical shurgers with his magic bail aroused the whiest enthusiasin among the fans.

The Senators cut the curis new and took the first turn at bat. The roing back to the old program proved a winner. DIAMOND DUST.

Pertinent Paragraphs About the Sen-ators and Other Players. Killen falled to say a kind word to King. McGuire played in an up-to-date form. "Silver" was cheered continually throughout the game.

Jovee and, his colleagues settled down after the first inning.

Lust is a waiter. Three times to first on balls is quite a record.

Bierbauer is the same steady player.
He is always in the game. The left field fans forced Connie Mack to the first base coaching box. Davenport was at the game—didn't you hear him coaching and commenting?

De Montreville renewed acquaintance with his reputation as "the Senatorial" 56 short stop." The Senators pinged the ball clean, the drives burning the grass wherever they struck.

Hughey uses a great deal of sneed. He seems to try to imitate Hawley's style of pitching. Joyce was certainly in yesterday's game, he captain had his eye on the batt all the time. A comedy of errors and three hits al-lowed the Pirates to tie the score in their half of the first.

According to Davenport, "Sliver" King's nair was just the color of the rath leading sut to the rather. Crooks put up a fairly good game when it is considered that if was his first appearance this season,

DeMontreville should not try to cover Selbach's territory. The "German am-bassador" is a speedy runner. Selbach's failure to give his accustomed. "I've got it," robbed him of two nut-outs. Yell up, you seasoned leaguer. Frank Killen was sent to but in place of Hughey in the ninth and the ex-Senator didn't do a thing but strike out.

"Silver" King was as big a man a National Pack vestering as the white met-is a slogan with advocates of 16 to 1. Jack Crooks was heartly cheered or coming to but in the first. And as usual or such occasions Jack was an easy out. "Your eyes are full of alkali dust," yelled thavenport when stenzel struck out in the first. "Yes, and so were yours

when you was unpiring in the North wester League," was Jake's reply. If "Silver" King continues to pitch the ball he did yesterday he will become a rare jewer before the season is over. Capt. Joyce neatly stole home when Lash drew a throw from Sugden to Bierbauer and The Times' score gives him such a credit.

capt. Joyce made a pretty backward run on Patsy Denovan's high twister in the third, and squeezed, to the great genight of the crowd. Pitcher Hughey had his frouble in the first inning. Three clean singles and a base on halfs took all the heart out of Mr. Kerr's fat boy. Genic balanced his error in the second by

was trying to steal When Tons Brown and Capt, Joyce led off with a single and a double, respectively, in the first inning, Davenport said, "we will win this game up to the hub." Last year Washington was a sort of a kintergarden. This year it is the city of resurrection. German and King are et joying their second life on the manond.

"Scrappy" picked out a blue end bat the sixth and then picked out one Hughey's fast ones and the combinate resulted in a three-bagger and a score Connie Maes, Patsy Donovan and Fran-Killen, all ex-Senators, were recognize by the crywd, and were cheeted or gere-just as the footers thought they deserved When "Silver" struck Beckley out in the eighth, retiring the side, he was given solves after salves of appliance. One of Jake's over the feace his just at that time would have breeded fromble. Old "Eagle Eye" Beckley was gulliy of a bit of cirty ball playing in the eights when he interferred with Joyce. Joyce should have been allowed to walk to second, but Weidman couldn't see it that way.

Weldman made a good impression as an unintie. He attends strickly to business and keeps the game moving. A particular virtue that he possesses is that he pays no Yesterday when a screaming foul from Lash's but went tearing into the grainstand back of the clate, producing a great amount of squeaking and 'wee-weeing' from the fair fairs. Favedport remarked that it was truly wonderfol how a ball could work through that crowd and not knock off a dozen or more parrots, red birds, and the like. and the like.

In the third inning while Selbach was at bat, Capt. Joyce, who was coaching fally Lush at first, yelled out. "Get a big start—Selbach will explode that pitcher in a minute. And sure enough Al, did explode him. He hit the ball over the right field fence for a home run.
